Token: A Journal of English Linguistics is an **open-access** academic journal which publishes original, previously unpublished research articles and book reviews focusing specifically on English linguistics. It accepts both synchronic and diachronic work, favoring empirical, corpus-based research. The journal also considers the publication of special issues on specific topics.

The journal is listed in **Sherpa Romeo**, **EBSCO** (Academic Search Ultimate), the European Reference Index for the Humanities and the Social Sciences (**ERIH PLUS**), the Directory of Open Access Journals (**DOAJ**), and the **MLA** Directory of Periodicals.

Moreover, it is also indexed in **SCOPUS**: the review by the Scopus Content Selection & Advisory Board included the following evaluative comments about *Token*:
"The journal consistently includes articles that are scientifically sound and relevant to an international academic or professional audience in this field."
"The articles are consistently of high academic quality, consistent with the journal's stated aims."

Token features in the Norwegian Register for Scientific Journals, Series and Publishers and is also listed among A-class (i.e., top rank) scientific journals by **ANVUR**, the Italian Ministerial Agency for the Assessment of Research and University Teaching and Management.

The deadline for individual submissions is 1 March. Contributors wishing to offer **special issues or special sections within issues** should contact the Editors **by 15 January**, outlining the topic(s) they wish to address and providing a preliminary table of contents (with the names and affiliations of the prospective contributors).

All submissions are double-blind peer-reviewed by experts in the relevant areas, provided that the manuscripts are deemed of sufficient quality and relevance by the Co-Editors-in-Chief or guest editors where applicable. There are **no article processing charges**, but all submitted manuscripts must be prepared according to the **style sheet** available at token.ujk.edu.pl/submit and sent to token.journal@ujk.edu.pl as **anonymized Word documents and PDF files**. Finalized versions are expected to be camera-ready. Under normal circumstances, Jan Kochanowski University Press publishes *Token* once a year, in **late December**. The **full text of the articles published in earlier issues** can be accessed at token.ujk.edu.pl/volumes.
